Employer Spotlight Days

We will gladly set-up a convenient time for you to come visit our campus, publicize your visit and coordinate interview times for interested candidates to meet with you. We request that you contact us at least four weeks prior to your visit in order for us to properly advertise your presence on campus. At the time of scheduling, please send us copies of the information concerning your organization, including logos and any open positions you currently have available.

To schedule an Employer Spotlight Day, please contact Matthew Gunnels, Graduate Employment Coordinator at (312) 873-2011 or via email at mgunnels@chicnet.org.

Employment Postings

Students and alumni have 24-hour access to job leads through our Web Portal. These jobs include full-time, part-time, short-term, seasonal, and externship positions. Employers can post directly to the Web Portal by logging in to employer.chic.edu. Select LOGIN if you are a returning employer or NEW EMPLOYERS CLICK HERE if you are posting on the Portal for the first time. Registration/posting is free and takes only a few minutes. Students and Graduates can also choose to have job leads emailed directly to their personal email accounts.

For assistance in posting full-time positions, contact Matthew Gunnels, Graduate Employment Coordinator at mgunnels@chicnet.org. For part-time and seasonal positions, please email Rich Olds, Student Employment Coordinator at (312) 873-6062 or via email at rolds@chicnet.org.

Externships

Students must complete an off-site externship in their field to fulfill CHIC's graduation requirements.

Students must work a certain number of hours within a designated time, and have a mentor fill out a mid-term and final evaluation. Time sheets and assignments must be faxed on a weekly basis.

For more information on our Externship Program, please contact Chef Jeff Sing at (312) 544-7570 or via email at jsing@chicnet.org.

On-Campus & Online Career Fairs

The Office of Student and Career Services hosts two on-campus Career Fairs throughout the year. This is a free event to employers, students, and graduates. Space is limited for these events, so please plan to attend in advance. The Le Cordon Bleu North America Schools also host two on-line career fairs throughout the year, in which all of the Le Cordon Bleu North America Schools participate. This is a tremendous opportunity to post jobs in order to receive nationwide attention. For more information on our Career Fairs, please contact Matthew Gunnels, Graduate Employment Coordinator at (312) 873-2011 or email mgunnels@chicnet.org.
